Chocolate Secrets

Handcrafted Chocolate • Fine Wine • Live Music • Art • Private Events

Established in 2003, Chocolate Secrets is a distinctive Dallas destination where handcrafted chocolate, fine wine, food, art and live entertainment come together to create an experience unlike any other.

Our culinary team represents more than seven countries and brings together more than 150 years of combined culinary experience. Chocolate Secrets handcrafts an extraordinary collection of chocolate bonbons and truffles, macarons, ice creams and sorbets, cakes, pastries and other confections—all made with an uncompromising commitment to quality and craftsmanship.

Guests may join us for lunch, dinner, dessert, coffee, our celebrated hot chocolate, wine and an evolving calendar of live entertainment. Our carefully curated wine selection offers both familiar favorites and distinctive bottles selected to complement our chocolates, desserts and savory menu.

Live Music, Art & Culture

Chocolate Secrets is as much about the experience as it is about the chocolate.

Live music fills the room throughout the week, while the Ma Fille Art Gallery provides an ever-changing backdrop of original art. Live Music: Wednesday through Saturday from 7:30 PM to 11:00 PM.

On Tuesday evenings from 7:30–9:30 p.m., Words Over Wine brings together words, wine and community for a uniquely Chocolate Secrets Open Mic evening.

The Live Music & Art Room

Our **Live Music & Art Room** is available for private, corporate and social events.

Warm, sophisticated and filled with character, the room features a raised performance stage, beautiful Timothy Oulton chandeliers, original artwork from the Ma Fille Art Gallery and thoughtfully selected furnishings that create an atmosphere that feels elegant without being overly formal.

The space accommodates approximately 55–60 seated guests and offers a memorable setting for:

- Corporate dinners and receptions
- Birthday and anniversary celebrations
- Bridal and engagement events
- Rehearsal dinners
- Client entertainment
- Wine and chocolate experiences
- Private concerts and performances
- Holiday gatherings
- Celebrations and special occasions

From handcrafted chocolates and desserts to wine, savory selections and live entertainment, our team can help create an event that feels unmistakably **Chocolate Secrets**.

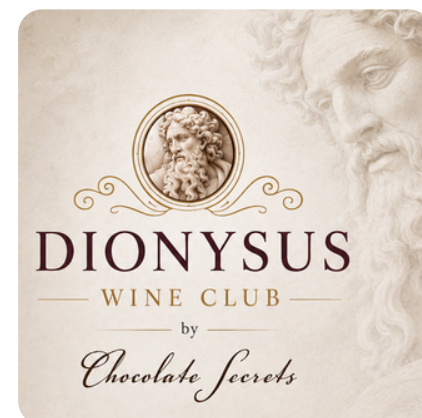

Come for the Taste. Stay for the Experience.
